In the matter of Coin Collecting, there is no outlay of funds that brings equal satisfaction, to that expended for priced catalogues of current sales.

Coins and Medals are sold at so much per piece. Kindly make your bids accordingly. Do not bid by the lot. If a lot contains 10 pieces and you desire to offer \$2.00 for it, make your bid 20c.

My terms for buying are 5 per cent.

Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids, otherwise they will not be accepted.

Collectors with experience have found that all catalogues and all sales are not alike.

My attributions will be found accurate, descriptions ample for recognition and the grading of condition, fair and just, with an absence of lottery throughout the catalogue, also a sparing appropriate and justified use, of the word rare. Special care and attention to these important matters, featured my first coin sale catalogue and it has been uniformly maintained in all of my one-hundred and ninety-four public sales.

 COPY below. R AMERICA. Seated Indian. Uncirculated, red. 27

This interesting piece entered the numismatic arena, quite in the same manner as its many companions, though not contemporary.

It has strangely wandered incognito, through catalogues and collections, for upwards of 50 years, carrying a total absence of origin, issuer or publisher. Crosby in 1874, thought enough of it, to have an illustration made and inserted on page 306, of his work on Colonial coins. His observation following the description "Origin and history unknown", wrapped the subject in a wet blanket of double thickness, in which state of coma, it has too long remained.

The piece was published by Alfred S. Robinson, banker and numismatist, Hartford, Conn. in 1861-62. Dies by Geo. H. Lovett. There were two issues, both small, the second has the word "Copy" below bust Mr. Robinson conducted public sales in New York and Boston, between the years 1861 and 1870. He also published his business card in 1861, with various revs. and different metals, they as well, are uncommon and fine work. He was born Apl. 5, 1836, and died Sept. 26th, 1876.

- 41 26 1781 North American Token. Hibernia setd. R Commerce. A ship AE & B. V. Good. Doubtless a Dublin production, whose die sinkers and button makers, conducted a lucrative business in supplying wherever small change was in demand. A pair of wonderful dies, I have never discovered a variety except in metal 2

- 11 27 Others as last. AE (4) B (2) Also 2 of those in the following lot. VFR & VG. 8

- 105 28 1783 "Georgivs Triumpho" R "Voce Populi" A Birmingham or Dublin issue, citing the year of Peace, to popularize its circulation here. The portrait is a fair one of Geo. III, copied after the Irish Hlfp. 1781-83, yet we must believe it was intended to represent Washington. Good.

- 11 29 Others made in Birmingham, commonly called Bungtowns or Pennsylvanias. Tvrcv Pellerivs (fine and rare), George Gordon, Gregory III Pon, etc. Hlfp. (8) Farthing (1) FR & G 9

- 75 30 1783 Constellatio. Pointed rays. About Fine.

- 17 33 1785 U. S. in script. Vars. as in lot 31. VFR & G 2

- 31 34 1785 Constellatio, two varieties of the pointed rays. G & VG 2

- 11 35 Duplicates of the Constellatio series. 1783 (4) 1785 (4) BFR & G. 8

- 36 1785 Bolen's beautiful copy—in solid metal, from dies—of the very rare CONFEDERATIO. Johnson 8, Crosby plate VII, No. 12. Published 1863. Total struck, 2 in silver, 40 in copper. Unc., red.
- 37 1887 Immunis Columbia. R Eagle. Barely fair.
- 38 Fugio Series. 1787 Regarded as the first U. S. Cent. From the number of die varieties found, it seems fair to conclude that the coinage was continued, without change of date, to the opening of the mint in 1793. "United States" without punctuation after "Mind" Club rays. Flan defect, obv. & rev. otherwise good.
- 39 1787 A die var. of obv. of the preceding. About fine, rev. fair.

- 51 1783 "Unity States of America" Here we find the first appearance of the rev. used on the 1793 Liberty cap cent, more particularly featured in 1794 '95 and later. Fine, surpassing all I have possessed.
- 52 1789 Robinson's Washington Cent, published abt. 1862. "George Washington President" Bust l. R Eagle displayed. Baker 14. Unc. red.
